Dear Sir /Madam,

RE: FURTHER WELCOME THE PROGRAMME IN OUR DISTRICT

Refere the above mentioned heading.

Your organization have been helping our Schools in the District in Computer facilities. We really appreciate the spirit you have as currently the programme is limited to few schools. The District at moment have 118 primary Schools of which 1 is boarding Primary school and 32 Secondary Schools which 3 are boarding.

We will appreciate more if the programme is extended to more schools so to improve performance. In this regard I further welcome the programme. We assure to make effective use of all facilities of your help.

Regards,

Waziri A. Mourice
